TYPE OF INFORMATION USED TO ACHIEVE OBJECTIVES

ETHOS AND ATMOSPHERE

At All Saints C.E Primary School we are aware that those involved in the leadership of the school community are instrumental in demonstrating mutual respect between all members of the school community. There should be 'openness' of atmosphere which welcomes everyone to the school. The children are encouraged to greet visitors to the school and friendliness and respect. The displays around the school are of high quality and reflect diversity across all aspects of equality of opportunity. Provision is made to cater for the spiritual needs of all the children through planning of both assemblies and classroom activities.

LEARNING ENVIRONMENT

There is a consistently high expectation of all pupils regardless of age, gender, ethnicity, ability or social background. All pupils are encouraged to improve on their own achievements and not to measure themselves against others. Parents are also encouraged to view their own children's achievements in this light. Teacher enthusiasm is a vital factor in achieving a high level of motivation and good results from all pupils. The adults in the school try to provide good positive role models in their approach to all issues relating to equality of opportunity. The school places a very high priority on the provision for special educational needs. We strive to meet all pupils' learning needs including the more able by carefully assessed and administered programmes of work. The school provide an environment in which all pupils have equal access to all facilities and resources. All pupils are actively involved in their own learning. A

range of teaching methods is used throughout the school to ensure that effective learning takes place at all stages for pupils.

CURRICULUM, RESOURCES AND MATERIALS

At All Saints C.E Primary School we aim to ensure that our subject policies and practices reflect our commitment to equal opportunities. Our planning takes account of the differing needs of pupils and their progress. We have a commitment to evaluate our curricular outcomes each term to ensure that what we have actually planned takes place. The provision of appropriate resources and materials within our school is a high priority.

These resources should:

- Reflect “the reality of an ethnically and culturally diverse society”
- Reflect a variety of viewpoints
- Show positive images of males and females in society including disabled people
- Reflect non-stereotypical images of all groups in a global context
- Be equally accessible to all members of the school community consistent with health and safety
- Not include racist or sexist material

LANGUAGES

All members of staff use appropriate language which:

- Does not transmit or confirm or confirm stereotypes
- Does not offend
- Creates and enhances positive images of particular groups
- Creates the conditions for all people to develop their self esteem
- Uses correct terminology in referring to particular groups of people

ORGANISATION OF LEARNING

When organising groups for various activities, consideration is always given to the composition of the group, to provide a balance appropriate to the activity. Our school environment is culturally diverse and we are very conscious of the need to provide first hand experiences for the pupils to encounter people from other cultures. We do this by engaging visitors and arranging suitable visits.

ADDITIONAL PROVISION

Where relevant we will endeavour to make appropriate provision for all bilingual groups to ensure access to the whole curriculum. These groups may include:-

Traveller children

Those families who are seeking asylum or are refugees

Pupils whose home language is not a standard form of English

Pupils for who English is an additional language

While there is a need for pupils to learn to communicate in English we believe that their home language should be celebrated and respected

Wherever possible, practical and affordable the school will attempt to make suitable adaptations and provide appropriate support to increase accessibility.

- SATs results and screening for specific learning needs
- Participation in extra-curricular activities
