

All Saints CE Primary School

Love learning together.
Love each other and our community.
Love ourselves.

Our learning environment, built on our Christian values is a place of happiness and respect putting the children at heart of all decisions. Our friendships motivate and support each other to do our best to become responsible and compassionate citizens in school and in our community. We want all our children to be confident, happy, inquisitive learners, **who know more, remember more and apply more**, through a range of experiences and activities.

Our Pledge to our Children

Whilst you attend our school **we will**;

Celebrate and live by our school Christian vision and values

Visit and explore our parish church and Manchester Cathedral

Visit an art gallery, museum and an historic place

Visit the local library and Manchester Central Reference Library

Take part in field work using outdoor learning environments

Use public transport including bus, tram and train.

Experience and use modern technology

Meet a person / people who can widen your understanding of the world

Perform to an audience

Contribute to charity work

Attend a live performance

Experience different culture and festivals from around the world

Experience community events

Ensure resources reflect the diversity of life in modern Britain

Visit a local place of interest

Visit a national place of interest

Take part in collaborative learning across school

Meet children from other local schools
