Half term root value – Forgiveness Weekly branch Value – Dignity

Head Teachers Comments

Yesterday, our school celebrated VE Day with lots of great activities, including making bunting, creating spitfire planes, and dressing up in 1940s-style clothes. We enjoyed a joyful outdoor picnic lunch in the playground before finishing the day off with more fun activities in our classrooms.

Finally, on behalf of all the school, I would like to wish Year 6 good luck for their SAT tests next week. They have worked incredibly hard and should be proud of their progress they have made and effort they have put into their learning this year. Have a good weekend and see you all on Monday morning.

Year 5 – Schools Linking

Children had a lovely trip to our linking school: Millbrook Primary. Children worked with Year 5's from Millbrook and participated in various forest school activities. Children made dens, searched for minibeasts, printed with leaves and they all enjoyed tree climbing! Children made friends with each other and were really engaged. The end of the day children made their own planets with the school values and shared with the whole group.
