Year 6 - Every student worked hard and a fantastic attitude was shown by all for every test. They did their best and showed true resilience. As a result, every student was able to hold their head high and say, "I could not have done any more!" Well done to all of our Year 6.

With this **glorious weather** we are having can I remind you that you send your child to school with a named sunhat and apply sun cream before they leave home. If you would like your child to be able to top-up their sun cream at lunchtime, please send in a named bottle.

In the Spotlight: Miss Simmons

My favourite subject at school:

My favourite subject was music. I play both the clarinet and piano and I enjoy singing too. My mum is also a music teacher so music has always been a big part of my life.

My favourite holiday destination:

The best holiday I have been on was to Orlando, it was a fantastic experience. I swam with dolphins and stingrays as well as visit all the theme parks, an amazing experience!

What do you like most about All Saints?

I enjoy working with the children and their families at All Saints the most. I have worked at All Saints for 9 years and it's been lovely working closely with children's families over the years.

What is your favourite children's book?

I enjoy reading any of Julia Donaldson's stories. She is definitely one of my favourite children's authors.

What is your favourite food?

My favourite meal is a roast lamb dinner, but anyone who knows me well knows my all-time favourite chocolate is Ferrero Rocher! It's so hard only eating a few though so I try not to buy them very often.

“Love learning together.
 Love each other and our community.
 Love ourselves.”

1 Corinthians 16:14, 'Let all that you do be done in love.'
