Head Teachers Comments

Y5 Maths Challenge - Four children took part in the maths challenges at Stockport Grammar School. There were more than 20 schools who participated. Children carried out various maths challenges, based not just on ability but about time keeping and working as a team. Children enjoyed the challenges and did themselves and school proud.

Year 6 Trip: As part of their Design and Technology project linked to sustainability in food, Year Six visited The Landing on Wednesday - a community allotment that supplies fresh produce to local restaurants. The children thoroughly enjoyed their visit and were given an informative tour by Head Gardener, Nathan. He explained the importance of seasonal produce and the many benefits of growing your own food.

Staffing for 2025-2026 – hopefully you have all read the letter sent out on Monday to see who will be teaching your child next year.

Parent Questionnaire - Thank you to the 68 parents who have completed this. It is still open until Friday 11th July and can be accessed via school spider. School appreciates your time in completing this.

PTA – Thank you for the bottle donations. On Friday 4th July children can come in own clothes in exchange for a chocolate donation for the summer fair. Fingers crossed for good weather on 11th July!

YEAR 5 TRIP...

On Friday 20th June, Year 5 went on a local walk to understand how Stockport has changed overtime. They went to the Hat Works Museum, visited the new Viaduct park, Merseyway shopping centre, and explored the Unserbanks. Children had a great day learning and enjoying themselves.

Have a lovely weekend with family and friends and see you all next week as we move into July.
