Half term root value – Happiness

Head Teachers Comments

The final day of term has arrived meaning the final newsletter of this academic year. There have been so many wonderful celebrations seen throughout school this week.

On Monday, Nursery celebrated with a family picnic where they showcased their learning throughout the year. On Tuesday, the same celebrations occurred but this time for the Reception class. Children have a marvellous start to their school journey in our EYFS. Thank you to the whole EYFS team for organising this.

School hosted the 'Oscars' for Year 6 on Tuesday evening. Then on Wednesday there was their amazing leavers service, showcasing their talent along with their memories of school. Thank you to Miss Spann, Mrs Fox and Mrs Shandley, for organising such wonderful events.

I would like to thank all our amazing staff for their fantastic dedication and passion ensuring lessons, environments are fun and enjoyable for your children, showcasing our value of Love. They are a great TEAM.

Finally, I would like to thank you, the parents, who have supported the school throughout the year. I hope you all have a lovely summer break with family and friends and recharge your batteries before next term.

Farewell...

Not only did we say goodbye to Year 6 today, we also said goodbye to some members of staff...

On Wednesday, Miss Spann left after 8 wonderful years. School wish her all the success in her future career and we will all miss her. She was dedicated to the school and always went the extra mile for all the children.

Miss Cosgrove leaves to continue her career at a school in Manchester. Thank you for all your hard work and dedication to Year 4 during the last two terms.

Finally, Mrs Hughes has retired after working in school for 30 years as our midday supervisor. We all wish her a happy and enjoyable retirement and hope she comes back to visit.

Year 5 91.2%

Reception 90.8%

Goodbye and Good Luck Year 6...

It has been great to see Year 6 flourish, apply themselves to their work and create their final year of memories that they can take with them to their secondary school. They sung 'You can Count on Me!' in their Leavers Assembly and they should all never lose sight of that, always be truthful to yourself. They all need to follow their dreams throughout their life and always aim high. They can achieve anything they want to.

On behalf of all the staff, we wish Year 6, the class of 2025, all the best for the future. Come back to let us know how you are getting on at your new school.

Whole School Attendance 92.6% (Target 96%)

**"Love learning together.
Love each other and our community.
Love ourselves."**

1 Corinthians 16:14, 'Let all that you do be done in love.'
