

All Saints C.E Primary School Year Six Summer Overview

Parents: This overview of the Year 6 curriculum during the summer Term is to give you information that will help you to play an active role in your child's education. For example, you might be able to help them to research topics on the internet, at the library or even plan trips out to relevant places of interest.

English

The children will cover a number of different genres this half term that will be text based.

Fiction

Room 13 – narrative writing

The Wise fool – character and setting description

Non-fiction

Animal habitats – non-chronological report

Biomes – information text

The day of the dead – persuasive leaflet, recount

Grammar, Punctuation and Spelling

A wide range of grammar will be explored including:

Modal verbs

Relative pronouns

Active and passive voice

Subject and object
Subjunctive form
Synonyms and antonyms
Apostrophe for contraction
Apostrophe for possession
Phrases and clauses
Tenses
Command, statement and question
Relative clause
Direct and reported speech
Prepositions and pronouns
Adjectival phrases
Dashes and hyphens
Determiners

Mathematics

Mathematics Below is a list of some of the mathematical concepts we will be focussing on this term.

Consolidation of skills carried out across the year

Time

Properties of shapes

Statistics

Bakery project

Futures project

Science

Living things and habitats

Describe how living things are classified into broad groups according to common observable characteristics and based on similarities and differences, including microorganisms, plants and animals

Give reasons for classifying plants and animals based on specific characteristics

Electricity

Associate the brightness of a lamp or the volume of a buzzer with the number and voltage of cells used in the circuit

Compare and give reasons for variations in how components function, including the brightness of bulbs, the loudness of buzzers and the on/off position of switches

Use recognised symbols when representing a simple circuit in a diagram
